

Long term protection for your eMobility assets

EVlink Warranty Extension

Solution at a Glance

Schneider Electric factory warranty covers your AC charging station for 18 months from the delivery date.

Our warranty extension allows you to expand your factory warranty for an additional one or three years, giving you more flexibility, peace of mind, and improved control of your maintenance budget.

Benefits

- Protect your budget from unscheduled expenses
- Benefit from high-quality repair performed by Schneider Electric experts
- Coverage flexibility to choose between one or three years
